

Dear Parents,

The attached schedule for grades 3-10 is only until the end of December. I will have a new schedule in January. Some of the sessions will change, depending on what is going on with the Covid 19 virus. I will probably move tenth grade to Sunday evenings so that ninth and tenth graders may attend weekly. At this time, grades one and two will attend weekly. All classes will be in Father Donovan Hall. Please note that we are following all the safety guidelines. As things change, hopefully for the better, I will have more catechists and classrooms available.

Thank You!

Mrs. Godemann
